MANAGER PROJECTS AND SALES – HVAC & FIRE FIGHTING

## CAREER OBJECTIVE

Passionate and results-driven Mechanical Engineer with over 9 years of experience in the analysis, and implementation of mechanical systems. Specialized in HVAC and Firefighting projects, I bring hands-on expertise in project management, ensuring seamless coordination between design offices and contractors. Known for providing valuable planning input and monitoring on-site progress. Adept at reviewing resource reports and optimizing deployments for timely project completion. With a strong foundation in international codes and standards, I am committed to delivering high-quality, compliant, and efficient mechanical solutions.
